RESPECT FOR LAW

In response to your request for a sentiment, I would call attention to America's great problem, Respect for Law, which is engaging the best thought of our nation today.

It is an issue so momentous as to merit the attention of everyone interested in the orderly and lawful continuance of all established customs. Disrespect for law is gnawing at the vitals of our national well-being, and requires the combined effort of all people and of all organizations of people, regardless of creed or sect, to combat it.

May the Class of 1929, both collectively and individually, be faithful to their school and home training in this national crisis and ever make it a vital part of their lives to uphold the Majesty of the Law, to the end that the "right to life, liberty and the pursuit of happiness" may never be placed in jeopardy.

A. J. MONROE,
President, Board of Education.

SUPT. J. F. BEMILLER

J. F. Bemiller, Superintendent of the Galion Schools has been with us just one year, but we are sure he will be with us many more, as he has proved to be a great friend of all the students and teachers.

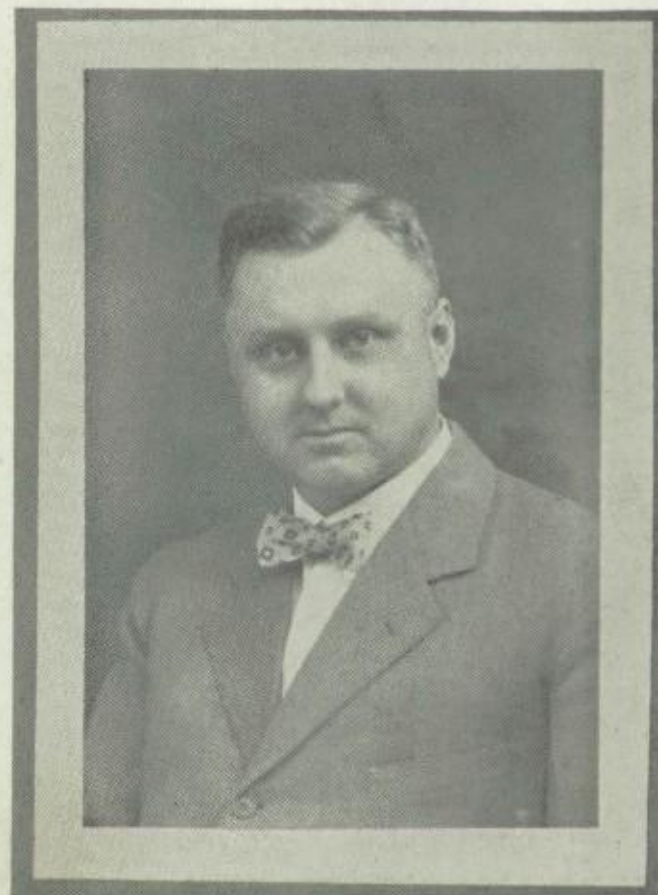

He held the position as Superintendent of the Fairfield County schools before he came here and had become a friend of one of our former Superintendents, J. J. Phillips, and it was through his recommendation that Bemiller came here as head of our schools.

Mr. Bemiller is a graduate of Ohio State University with a B. S. degree and last summer he received his M. A. degree in education. He is a member of the Phi Delta Kappa Fraternity which is very exclusive at Ohio State.

Mr. Bemiller has a very pleasing personality and has found his way into the hearts of all who know him. He is rather quiet and has an "easy going" way about him. He is very tactful in handling most any problem which confronts him.

No one has ever seen him angry as he has a wonderful way of controlling his temper.

So, here is a toast, to the man who has proved himself a very able leader of the Galion Schools.

PRINCIPAL W. L. SWICK

W. L. Swick, known more familiarly to the students of G. H. S. as "Pop" Swick, is finishing his fourth year as a brilliant, successful and jolly principal. Mr. Swick is well liked by all of his students and teachers. He is always on hand with a new joke to fit the occasion. He stands for the highest type of ideals and will not tolerate anything which would be degrading to the school and community. He is a real pal to all and instead of sparing the rod and spoiling the child, he spoils the rod and spares the child. He believes in the social kind of High School life and not in the strict, military types.

He serves in numerous capacities. Besides being the supervisor of over three hundred and fifty students, he teaches Chemistry and Physics, is Sponsor of the Spy Staff and Senior Class, advisor of the Hi-Y, manager of the Athletic association, and the treasurer of the High School. He performs his many duties very efficiently and those who work under him know that his management is flawless, and that debts do not occur.

We are thoroughly convinced that our High School is very fortunate in possessing such a man as principal and we sincerely hope that he will remain in this capacity for many years to come.

MISS GRACE WESTON

Mathematics, Ph. B. Oberlin.

Miss Weston is assistant principal of the High School, sponsor of the Senior class and organizer of the Girl Reserves. She is the instructor of mathematics and has the reputation of being one of the best mathematicians of the state.

MR. D. E. SHAFFER

Manual Arts. Valparaiso Normal School

Mr. Shaffer has made a name for himself during his teaching in Galion High. His work is very thorough and is of the highest type, as is shown by the exhibits that his students display.

MISS MARY MATHER

Latin, A. B. Ohio Northern

Another one of Galion High's renowned teachers is Miss Mather. Every student loves her because of her jolly attitude toward everyone. She stands for the highest of ideals and she is successful in everything she promotes. She is very valuable to the Juniors in guiding them through their trials and tribulations.

MISS LOUISE JOHN

Spanish, English Literature, Ph. B. University of Chicago

One of our busiest teachers is Miss John. She has been very successful in creating for us our library. As a coach of the debating team she has been influential in leading them to victory. She also is sponsor of High School bi-monthly "The Lantern".

THE 1929 SPY

MISS ESTELLA ENGLEHART

History and Civics
B. S. and Education Ohio State

Miss Englehart is the teacher who so patiently slaves with the Seniors. When some poor unfortunate Senior is failing, Miss Englehart comes to the rescue and tutors the straying one. She has been with us for two years.

MR. V. H. OBERLANDER

Shop, Ohio State

You can always find V. H. in the shop, and he is always a friend to everyone. V. H. is also movie operator and the school mechanic. His shop has grown so, that a shop building is being planned. Good luck!

MR. C. D. MOLDER

Social Sciences, A. B. Ohio Wesleyan

Prof. the students' friend has been with us for four years and has proved himself to be an efficient leader of the Hi-Y and oratory. Prof. is unique in arranging our Hi-Y chapels which always make a hit.

MISS BEATRICE L. HOFFMAN

English, A. B. Hood

It is Miss Hoffman who trains the poor English speaking Juniors, and after one year in her class reading MacBeth and writing compositions, they have become experts in this subject.

MISS HILDA SCHOOLEY

English, History, B. A. Ohio Wesleyan

When someone is seen flying down the hall, and always going some place in a hurry, it is always Miss Schooley. All the students like her as she is a friend to all of them.

MR. R. R. EHRHART

Music, Salesmanship, Mechanical Drawing

A. B. Otterbein

The band and orchestra have prospered under Ehrhart's leadership. Music! That's his hobby. He is a member of the Hobo Quartet that has entertained the students a number of times. His singing is always welcome as he has a good baritone voice.

MR. F. A. EATON

Athletic Director, A. B. Wittenberg

Our basketball team was better this year than for a number of years, as it came out second in the League championship. Other than acting as coach for the football and basketball teams he also conducts gym classes.

MISS HELEN MANDEVILLE

Athletic Director, A. B. Wooster and Ashland Chautauqua School of Phys. Ed.

This is Miss Mandeville's first year here but she proved to be a very competent coach. Her smile has made her many friends, not only among the girls but also among the fellows. We hope she is here next year to help the girls in Athletics.

THE 1929 SPY

MISS ADA GREGG

MISS ARVILLA EMMENEGGER

This is Miss Emmenegger's first year as an instructor in our High School. Besides her regular classes she helps with the Lantern and the Girl Reserves, and she has proved to be a valuable teacher.

MISS ELIZABETH BLAND

Elizabeth is the handy girl around the school. Whenever anything is wanted it is Elizabeth who gets it and she is a real, true friend of all the students.

MISS VELMA RESCH

OUR SCHOOL DAYS

ACT I.

The curtain is drawn and we see before us, Galion High in its picturesque setting. Students are strolling up the walks—school has begun!

Our attention is centered upon the Freshman class, larger in number than any other that has ever entered G. H. S. We notice that this class goes in for the extreme—Bob Zinn and Ronald Sebastian are examples.

As the scenes are shifted we see the various activities of the class. The election of class officers had the following results: Bob Zinn, President; Charles Line, Vice President; Eugene Grubaugh, Secretary; Norma Amann, Treasurer. The Sophomore-Freshman party was a scene to gladden the eye.

ACT II.

The first scene shows the election of the class officers, Bob Schupp, President; Helen Laughbaum, Vice President; Charles Line, Secretary; and Eugene Kirtland, Treasurer.

The scene showing the Christmas party, which was the social affair of the year, was brilliant.

ACT III.

The first scene shows the election of the class officers, Robert Schupp, President; Bob Zinn, Vice President; Kathryn Peebles, Secretary; and Eugene Kirtland, Treasurer.

The next scene shows a moonlight night, a blazing fire and a score or more of famished students. The Juniors are having a weiner roast! From the noise and excitement we infer that they are having "one grand time".

A following scene shows the Junior Class Play, "White Collars". There are not enough words to describe its wonderful success. The thunderous applause more than shows the appreciation of the audience.

Other scenes show the work of the Junior Class preparing for the Junior-Senior Reception. We see in the distance a trim yacht from which soft music is coming. Couples are dancing beneath a gleaming moon and a star-filled sky. It was a glorious reception!

ACT IV.

In the first scene we see a moonlight night. Queer figures are moving to and fro, throwing colored papers into trees, telephone poles, etc. We see a future steeple-jack climbing a trembling flag pole. What can it be? Why of course, the Seniors are hanging colors!

The next scene shows the election of the class officers, Ralph Cornell, President; James Aukerman, Vice President; Charles Line, Secretary; Eugene Kirtland, Treasurer.

The Seniors hold a weiner roast in the next scene. To one side we see Bob Zinn with five marshmallows in his mouth and a weiner sandwich of huge proportions in both hands, discussing the Einstein theory!

Then—Commencement!

—Jack Sherman, '29.

THE JUNIOR DIARY

1926

Sept. 6. Last day of vacation! Tomorrow school starts. I am disappointed for instead of going to the Senior High School, our class has to stay in the Junior High another year. Just our luck!

Sept. 7. The big day at last! The new building is nice and makes up some for staying in it another year.

Sept. 27. Old Diary, I have been so busy being a Freshman, yes, that reminds me, they have the nerve to call us "Ninth Graders". We had a class meeting today. So thrilling! We have colors now. After much debate, Orange and White were chosen.

O yes! little Diary, Douglas Young was elected President, of course, he's small, but then you know the saying that "good things come done up in small packages". What Douglas lacks in height, Gilbert Herr our Vice President has. Marjory Bosler is Secretary and Daniel Postance, Treasurer.

1927

Sept. 12... Here I am a Sophomore—Yes—S-o-p-h-o-m-o-r-e and in Senior High! It is exciting—they all make fun of us—but we don't care—for we are here at last!

Sept. 19. Sophomore Class meeting! Now we have a new president in the person of Richard Horn, for we felt that we should have someone who could over-awe by his vocabulary—Gilbert Herr and Marjory Bosler have the same offices as last year, while Ulah Gilmore is going to look after the finances. Then with Mr. Molder and Miss Engelhart, as sponsors we are sure to have a successful year.

Mar. 25. Our class party was yesterday and thanks to Mr. Molder, was a success. play, which thanks to Mr. Molder went off so well.

1928

Sept. 4. Juniors! It hardly seems possible but today one hundred and twenty-five of us enter the portals of G. H. S.

Sept. 16. After some delay we organized—but now as sophisticated Juniors we knew what was coming. We have all new officers, the boys seem to dominate things for Kenneth Winetrout will have the arduous task of leading us through the intricate paths of this year; while Douglas Young, who has increased in stature will be Vice President, Emma Durtschi, Secretary and Fred Myers as Treasurer. We do have more money now, thanks to our Sophomore year.

Jan. 1. Class Rings! Of course we think they are the best ever.

Mar. 17. Bab! How we worked and now the class play is also a thing of the past. We felt proud of our talent displayed. In fact looking back over the High School days I find that our class has always been well represented in athletics, debate and music.

So little Diary, you have always known all, but for a while I shall forsake you for we are working on the Reception and hope to put on the best one.

SOPHOMORE CLASS VOYAGE

In the fall of 1927 one hundred and twenty passengers sailed from Grammar Harbor aboard the Ambition. Hearts were heavy for the voyage seemed endless and the sea rough. Their destination was Sophomore seaport, just one year's journey ahead, and the ship was sailing Freshman Sea. Since most of the passengers were not accustomed to ocean travel, there was some confusion at first.

The boat was commanded by a very able crew consisting of Edward Hoekstra, Captain; William McAdams, First Mate; Joyce Baldinger, First Officer; Ruth Diamond, Purser.

After some time the passengers became more used to sea travel and things went along in a more orderly fashion.

The sea having calmed considerably and the greater part of the journey over, passengers and crew landed at Seccaium Island where they enjoyed a picnic.

The next stop was at Vacation Land where three months were spent sightseeing.

The second cruise was begun on Sophomore Sea, sailing under Rainbow colors, with one hundred and thirty passengers and Don Scarborough, Captain; Joe Bemiller, First Mate; William McAdams, First Officer; Dwight Bersinger, Purser. This tour was personally conducted by Miss Beatrice Hoffman and Prof. C. D. Molder.

After sailing the first year, the passengers were becoming more accustomed to sea travel and the second trip was not so difficult.

To break the monotony of the voyage, sports and social functions were indulged in.

The ship's boys basketball team, whenever making any stop asserted themselves and succeeded in winning the intership championship.

The baseball team too, made a fine showing.

Several of the sailors and passengers won renown as football players and show great promise.

Another event which added to the enjoyment of the voyage was a weiner roast held at Rocky Mountain Farm.

There was then a change of crew, Joe Bemiller stepping into the Captain's chair, Martha Feerer taking the Purser's place and Daniel Ryan elected First Mate.

One large party was held in the salon where the passengers were entertained by a varied program. Among the numbers given was a one-act play, "Miss Burnett Puts One Over." The cast was Helen Murphy, Martha Goshorn, Dorothy Nichols, Marjorie Casey, Virginia Arter and Ruth Diamond.

While a number of other small entertainments have gladdened the way, still the journey has not been wholly devoted to pleasure for much benefit has been gained from an intellectual standpoint. Since we know that travel is broadening we all realize the educational advancement we have received during this tour of '28-9.

We are looking forward to the next year's cruise with great anticipation for traveling farther into the fields of knowledge.

FRESHMAN CLASS HISTORY

On a sunny September day, 1928, a large number of small ships embarked upon the rough seas of more advanced education. After a welcome by the fleet's admiral, Mr. Beetz, the ships settled into their various courses.

In the early part of the voyage Mr. Warren was elected pilot. The other officers were Richard Reid, Captain; Edra Arndt, Mate; Francis Bernard, Coxswain; and Eleanor Kirk, Boatswain. Under the guidance of these capable officers, the colors, scarlet and gray, were chosen.

In October the ships cast, and the crew went ashore to participate in the interesting events of a Hallowe'en party. Duties, however, soon urged them to re-embark and to progress on their way.

Among the crew were a number of fine athletes, who often stopped at various ports to compete with strong opponents. Sports, however, were not allowed to interfere with work.

One day the crafts convened to discuss plans for a play to be commanded by Miss Cook. This play is being prepared now, and although it is a very unusual project for a fleet so inexperienced, it is expected to be a great success.

Throughout the year the entire crew has shown unusual pep and interest in the voyage. May our voyage through life be as enjoyable and successful as this one short year.

HI-Y

With the opening of the school term last September, the Galion Hi-Y club opened its season of meetings which were held every Monday evening at 7 o'clock. Under Mr. Molder's most careful guidance we succeeded in accomplishing many worthy deeds which helped both the school and community. We renewed our corridor duty and conducted some very good chapels both under our own supervision and in conjunction with the Girl Reserves. We also attended some church every six weeks in a body.

The fall convention was held in Springfield this year and the club was represented by six of its members. Many new and helpful ideas were obtained.

Throughout the year the club has enjoyed several pot-luck suppers and initiation luncheons at Hubley's. The crowning social event conducted by the club was the annual Sweetheart Party which was held on April 26th in the Methodist Church parlors. This party was the best ever put on and the club has won much admiration through this event.

Nine new members were voted into the club during the year. Everybody deems it a great honor to be voted into the club and no boy is taken in unless his character measures up to the standards of the club which are Clean Speech, Clean Athletics, Clean Scholarship and Clean Living. The purpose of the club is to create, maintain and extend throughout the school and community high standards of Christian character.

The work of the club was carried on this year by four very efficient officers and seven committees. The officers were Ralph Cornell, President; Gerald McCluer, Vice President; Eugene DeSilets, Secretary; Herbert Bodley, Treasurer.

The meetings consisted of business, Bible discussion and plans on helping the school. A joint session of the Girl Reserves and Hi-Y was held in February at which the topic of "Manners and Morals" was discussed. The meeting was a great success.

The Hi-Y wish to extend a vote of thanks to Mr. Molder, sponsor, Supt. Bemiller and Prin. Swick, advisors, who helped them very much with their work.

THE GIRL RESERVE

The purpose of the Girl Reserve is to create an atmosphere of friendliness in the school, to create a spirit of good sportsmanship and wholesome fun, to make each girl a sister to every other girl, to develop her spiritually, mentally and physically and to prepare her for that wonderful ideal, womanhood. The slogan of the club is "To face life squarely" and the purpose "To find and give the best".

During this year we have enjoyed many social affairs among these were the Hallowe'en Party, Faculty Banquet, the first ever given in the school and it proved to be a success, the Christmas Party, Mary Jane Party, Mother and Daughter Banquet and the Farewell to the Seniors.

Through the year we have done different things to make money, among them was the selling of megaphones at the football games, selling candy and popcorn at the basketball games and the Hi Jinx Circus. Never before has there been anything like this given in the school. The gym was made into a regular circus ground. We had many different booths including candy pop corn, animal, Japanese, coffee and sandwiches, ice cream and cake, fortunate telling and other booths. We even had a real clown band. Miss Mandeville put on a Novelty Programme in connection with the circus. Both proved to be a big success.

We sent Friendship School Bags to Mexico, this being the project for this year. We also sent a Christmas tree to a poor family in town.

Miss Weston has carried on the Girl Reserve work for the past four years. Much credit should be given her for the way she has assisted in the work. Other sponsors of the club are Miss Mather, Miss Emmenegger, Mrs. Monroe, Mrs. Goshorn and Mrs. Arter. They also deserve much credit. The cabinet of the club is composed of Evelyn Rensch, President; Helen Laughbaum, Vice President; Norma Amann, Treasurer, and Elizabeth Petri, Secretary, besides the chairmen of the different committees.

COMITATUS AENEAE

The Comitatus Aeneae, or Latin Club, was organized seven years ago in order to stimulate an interest in the Latin classes. Miss Mary Mather has been the able sponsor of the club since its beginning and has created an interest in the study of the language.

It is the custom for the club to meet once a month in a room of the high school for the purpose of studying the life, customs, dress, architecture, art, living and industry of the Romans. In order to carry out this purpose, papers by different students are read and short talks given.

In February the Freshmen were cordially invited to attend a club meeting to see what the Senior High School Latin classes were doing outside of the school.

In the Virgil class in December Miss Mather devoted a period in showing pictures on a screen, of the different people whom the class was studying about. This proved very interesting.

This year the class consisted of sixty-six members, which is the large enrollment ever had by the Latin club. The officers elected for 1928-29 are:

Primus Consul—Eugene DeSilets

Secundus Consul—Malcolm Switzer

Adelis—Marjorie Kissell

Aedelis—Aerarus—Mary Frances Knight

Ruth Diamond, Genevieve Sloane and Fred Myers were chosen as a committee for the purpose of regulating the requirements for membership. All Latin students of the Senior, Junior and Sophomore classes are eligible.

Back Row: Robert Reid, Howard Burwell, Miss John, Dorothy Gerstner, Mary Dickerson, Genevieve Sloane, Helen Newhouse, Vaugh Volk.
First Row: Vivian Rigby, Elizabeth Seckel, Norma Amann, Elizabeth Petri, Ernestine Dinkel, Marjorie Johnson.

EL DON QUIXOTE CLUB

This is the second time in the history of Galion High that a Spanish club was organized under the direction of Miss John. Only seniors were eligible for membership. The fact that everyone became a member, fifteen in all, and the scholarship of the class as a whole was high, the meetings were held every three weeks at the regular Friday recitation period.

The purpose of the club was to increase the knowledge of the language, and to study further the country of Spain, its customs, and its people.

At the first meeting the following officers were elected: Elizabeth Seckel, President; Howard Burwell, Vice President; and Norma Amann, Secretary.

A committee of three was appointed each time to arrange a program. These programs were enjoyed by all and helped to promote a better understanding of the Spanish language among the members of the class. Spanish customs and characteristics, the singing of Spanish songs, and Spanish games or contests were some of the outstanding features of the programs.

We named the club "Don Quixote" after the famous Spanish literary character Don Quixote.

Instead of choosing a pin as the club emblem, the novel plan of wearing a small round piece of orange felt, upon which D. Q. was set in blue was adopted with great favor.

Although the club was organized rather late in the term, the Spanish students have profited by it, and had the pleasure of preparing the programs.

Miss John as the instructor and advisor with her untiring efforts and good suggestions brought about the success of the club, and the members of El Don Quixote Club have spent many an enjoyable hour at their meetings.

There was a keen interest taken in the club this year and we hope that it will prosper in the future.

HIGH SCHOOL ORCHESTRA

The School Year of 1929 brings to a close the year's work of the High School Orchestra. Although this organization has not been so active, it was successful under the capable leadership of Prof. R. R. Erhart.

Throughout the year the orchestra has played for various entertainments among them a Sunday Afternoon Concert. A part of the orchestra under the direction of James Aukerman (known as the Orange and Blue Orchestra) have played for several numbers on the Lyceum Course and also for the Drama Workshop Players and other engagements.

At the beginning of the school year the Orchestra was organized with the following acting as officers: Charles Line, President; Gilbert Herr, Vice President; Helen Newhouse, Secretary and Treasurer.

During the year the Orchestra had a social gathering in the form of a Hallowe'en Party. The decorations and lunch were in keeping with Hallowe'en and every one had a splendid time.

The following Seniors will be lost to the Orchestra by graduation: Helen Newhouse, Charles Thayer, Genevieve Sloane, James Aukerman, John Douglas, Burnell Tennant, Robert Reid and Charles Line.

As a fitting close to the season the Orchestra will play for the Senior Commencement to gladden their hearts as they leave dear old G. H. S.

BAND

Hear Ye! Hear Ye! 'Tis the sound of martial music coming down the street. Who is it? Why Prof. Ehrhart and his High School Band. It has been three years since Prof. called for recruits to organize a meager little band of about 20 pieces. Coming to rehearsals in rain, sleet, and snow, the band has progressed to be a popular organization, playing all the peppy marches for the football and basketball games and all the "pep" meetings, the county fair, and Sunday concerts, and other entertainments where the band is always received heartily. Although our band is good enough, we haven't the instrumentation to enter the state contest so we have entered a triangular contest with Crestline, and Mt. Gilead just for the spirit of playing. At the time this annual went to press the result could not be obtained.

Just as the athletic teams have their veterans we in the band have our veterans. From the beginning of the band three years ago we have had H. Bodley, V. Volk, C. Thayer, J. Aukerman, C. Heinlen, J. Douglas, G. Sloane, R. Reed, P. Hanley, R. Sebastian and these fellows will surely cause Prof. Ehrhart to lose heaps of sleep in order to have their places filled as they are lost by graduation. Good luck Seniors. And the next time you are approached and asked the question, "Have you a Band in your school?" step right out and say, "Sure!" Our Band is one of the greatest assets to our school and we are proud of it.

ACTIVITIES OF CHORUS

1928-1929

The work of the High School Chorus this year has proven to be one of the most successful years in the history of Galion High School.

The chorus though being only fifty voices has been a very active musical organization.

Immediately after school began the chorus started working on some special numbers which were given in a series of Sunday afternoon programs.

Music was also furnished by the Chorus for the Union Thanksgiving service which was held in the First Reformed Church on the night of Wednesday, Nov. 27, and also at the United Brethren Church on Sunday night, Jan. 13, which was designated as High School night.

Various members of the chorus have also furnished special music for all sorts of occasions such as P. T. A. meetings, Kiwanis luncheons, Sunday afternoon programs, and assemblies.

The chorus is working on an operetta the "Pioneers Papoose" by Otis M. Carrington to be given Friday, May 3, as a part of the National Music Week celebration in Galion.

The cast for the operetta follows:

Chief Tomahawk	-	-	-	-	-	-	William Ryan
Prince Whiteface	-	-	-	-	-	-	Melville Sperry
Layemont	-	-	-	-	-	-	Delmar Thompson
Pioneer	-	-	-	-	-	-	Walter Diesem

The work of the chorus has been most successful and thoroughly enjoyed by all.

MISS BESSIE TODD--Piano Class

For many years Miss Bessie Todd has been Galion's outstanding piano instructor as well as director and promoter of many successful musical entertainments for the public. Miss Todd has received much training in Europe under Isador Philipp, one of France's most renowned musicians. She also studied in the Fontaine Bleau School of Music, organized by the French government, under J. H. Gittings who, before his death, was the finest pianist and teacher in Pittsburgh, in the American Conservatory of Music in Chicago and also New York. The following High School students are under her instruction: Foster Stevenson, Miriam Durtschi, Jeanette Mittman, Muriel Weber, Marjorie Casey, Lucile Prosser, Gertrude Stevens, Mary Stevens, Mary Frances Knight, Marjorie Bosler, Catherine Thayer, Twila Zaebst, Iva Gattner, Joanna Postance, Gaylord Danner, Harriet Fellenbaum, Eugene DeSilets, Mary Phipps, Eleanor Kirk, Eva Smith, Leona Hill, Mildred Fletcher, Dorothy Plack, Doris Gilmore, Vera Danners and Duane Kackley.

MISS ESTELLA SCHULER--Piano Class

Miss Estella Schuler has been a life-long resident of Galion. After several years of study under local teachers she took a preparatory course in the Fine Arts Building in Chicago. After completing this course she entered the Chicago Musical College in the Teachers class. Graduating from that College she began to teach music in Galion. Miss Schuler has her studio at her home on South Boston street. She has been connected with the Galion High School for several years and has done much to help the music department. The members of Miss Schuler's piano class are: Leota Conaway, Lillian Baylor, Martha Feerer, Helen Murphy, Danny Ryan, Averie Alder, Maryon Helmar, Mary Helen Falvy, Adelaide Yochem, Thelma Dill, Annabel Flowers.

MRS. L. E. BECK--Expression Class

Mrs. L. E. Beck has been the expression teacher in Galion High for a number of years. She is a graduate of Galion High and of Northwestern University, Chicago. Mrs. Beck is known to every student in the school as she has directed all of the Junior and Senior plays and has conducted expression classes during the school term. Galion is noted throughout the surrounding country for its dramatics, and it is through Mrs. Beck's untiring efforts, that Galion can boast of this reputation. Mrs. Beck has been giving lessons during just the second semester. Her pupils of the High School for this year are: Evelyn Rensch, Margaret Tracht, Alice J. Ness, Margaret Fields, Luella Knisely, Martha Goshorn and Jane Philp.

MISS DORIS COOK--Expression Class

Graduated in 1926 and spent one year at Wittenberg. She is a promoter of Elocution in Galion. Besides being an active member in the dramatic club she is directing a Freshman class play this year. This is the first Freshman play known in the annals of Galion High.

Although she has only had one year and a half in teaching her elocutionists to-be have showed good talent under her supervision.

Her two pupils in High School are Mariana Engle and Mary Margaret Flannery. She has many pupils in the grades.

Her work in helping Galion become a dramatist city is appreciated and we hope she will further Galion's standard of producing good elocutionists.

MRS. W. W. KOPPE--Voice

The training of singers has been largely a matter of voice culture, and the aim of all voice teachers is to produce a beautiful voice though the rightness of this cannot be questioned. A moment's thought should make it clear that the voice is not the singer; it is merely the instrument upon which the singer plays.

For several years Mrs. Koppe has had pupils in voice culture in our High School, that have contributed to various programs for various occasions. Mrs. Koppe has her studio in her home at 316 Cherry street.

MRS. DONALD TOWNSEND--Voice

In the voice department we find also Mrs. Donald Townsend who has her studio in her home. Mrs. Townsend has long been known in Galion as a beautiful soloist having attended the Oberlin Conservatory. She has proved her ability of teaching by the beautiful singing of the pupils and the Glee Club she has organized. Her pupils have frequently taken part in entertainment and in all our musical productions. Mrs. Townsend is rapidly placing Galion on the map vocally not only by her own performance but by that of her pupils. She has but two pupils in the High School at present. They are Pauline Mackey and Burnell Tennant.

WHITE COLLARS

The class of '29, on January 26 and 27, 1928, gave as their Junior Play, the three-act comedy, "White Collars", by Edith Ellis. The play proved to be a great success and was under the direction of Mrs. L. E. Beck, with Hazel Nichols as the prompter.

"White Collars" is a story of a family, in New York City, of limited means. They live in a large apartment house which is in a rather poor district of the city.

There are six members of the Thayer family living in this apartment.

When the curtain opened, the family was found at the supper table. There was Mr. Thayer (Ralph Cornell), Mrs. Thayer (Evelyn Rensch), Frank Thayer, the youngest son, (Vaughn Volk), Helen Thayer, the younger daughter, (Margaret Tracht), Henrietta Thayer, the aunt, (Vivian Rigby). Joan Thayer, the older daughter, (Helen Laughbaum), had just arrived home from work. Her position was that of Secretary to a young billionaire, William VanLuyn. (Robert Zinn). She surprises the family very much by announcing her engagement to him, but the biggest surprise of all is that he is coming to meet the family that evening.

Everyone rushes around trying to put the room in order for Mr. VanLuyn. He comes, meets the family, and he and Joan are married. He offers to help the family, by giving them clothes, a new home, etc., but the family is too proud to accept such things, that is the whole family except Helen, and she takes anything that William will give her. As Joan is insistent they even live with the family. Imagine a billionaire living in such a place as this.

Helen's best beau, Tom Gibney (Malcolm Switzer) came often to the Thayer home and the conversation between William and Tom is very interesting, as William is very educated and Tom has had barely no education at all.

Aunt Henrietta, who is always butting into peoples business starts things going. William is going to give all of his money away, and the whole family is in fear, when Sally VanLuyn (Norma Amann) William's sister, cleverly untangles the whole affair.

All the members of the family get what they have always wanted and Aunt Henrietta is sent to South America on a business trip. Thus a very interesting play ended.

Evelyn Rensch and Ralph Cornell played the parts of Mother and Dad to perfection. Vivian Rigby was the typical business like Aunt who was always doing the wrong thing at the wrong time.

Helen Laughbaum and Robert Zinn were ideal lovers

Margaret Tracht played the part of the flapper very well and Malcolm Switzer as her beau was perfect in his part.

Vaughn Volk was very good as the son, and Norma Amann proved a very good character in the role of the New York Society Girl.

THE SENIOR PLAY

The play committee decided on the Play, "The Lilies of the Field," by John Hastings Turner, to be given for Senior play, on May 16 and 17, 1929. This is an English play and the scenes are laid in Gloucestershire and in London.

There are eleven characters in the play, seven females and four males.

Tryouts were held for the play and the following cast was then selected:

The Rev. John Head	- - - - -	Ralph Cornell
Ann (his wife)	- - - - -	Evelyn Rensch
Catherine (their daughter)	- - - - -	Margaret Tracht
Elizabeth (their daughter)	- - - - -	Helen Laughbaum
Mrs. Rooke-Walter (Ann's mother)	- - - - -	Vivian Rigby
Barnaby Haddon	- - - - -	Robert Zinn
Violet (a maid at the Vicarage)	- - - - -	Norma Amann
Bryan Robes	- - - - -	Vaughn Volk
Withers (A manservant to Mrs. Walter)	- - - - -	Malcolm Switzer
The Hon. Monica Flane	- - - - -	Hazel Nichols
Lady Susan Rocker	- - - - -	Helen Newhouse

The two daughters, Catherine and Elizabeth are twins and have reached their twentieth birthday. Their Grandmother gives one some crepe-de-chine for a gift and the other a trip to London. It is difficult to decide which one goes to London and finally Mr. Haddon, the Antique Collector, becomes the test. Both girls try very hard to get Mr. Haddon and Elizabeth succeeds and gets to go to London. She is rather an unusual girl and is therefore very popular in London. The situation becomes very complicated but it all turns out in just the right way.

The play is sure to be a success for it is being directed by Mrs. L. E. Beck.

BAB

Mr. Archibald	- - - - -	Victor Sloane
Mrs. Archibald	- - - - -	Ulah Gilmore
Leila	- - - - -	Joannah Postance
Bab	- - - - -	Mildred Hammond
Jane Raleigh	- - - - -	Pauline Mackey
Carter Brooks	- - - - -	Walter Diesem
Eddie Perkins	- - - - -	Lawrence Johnston

Hannah	- - - - -	Iva Gattner
Mr. Beresford	- - - - -	Richard Horn
Stage Managers	- Paul Mackey, Archie Beach, Dan Postance	
Prompter	- - - - -	Emma Durtschi

Bab, a sub-deb came home unexpectedly from finishing school because of the measles epidemic. She is a flapper and her parents are amazed at everything she does as they are very aristocratic.

Carter, a friend of the family's, treated Bab as a child but she resents it, she also thinks that he is in love with Leila.

Bab, in order to make her parents believe she is grown up, invents a lover but he really turns out to be real but is masquerading as Guy Grosvenor.

Hannah, the maid helped Bab to make up a name of a lover.

Eddie a neighbor boy wants to act grown up but Bab doesn't see him as being grown up, just as a kid.

Jane a friend of Bab helps her out of all her troubles.

Beresford the man Bab has met on the train had come to the Archibald's house as a week-end guest and falls in love with Leila. Leila also falls in love with him but Mr. and Mrs. Archibald thinks he is not worthy of her. Bab made a lot of trouble by making it appear that she was trying to win Beresford's attention. The affairs get very complicated and Bab's parents have threatened to send her to her Great Aunt Veronica, but can't because she gets the measles.

After she recovers, she is kept on the grounds of the estate like a prisoner but this doesn't keep her from doing her best to straighten out the complications she has caused.

She plans the marriage of Leila and Mr. Beresford by instigating an elopement and making things right with her dad. She lets him know that Beresford is all right and gives him the contract he brought from England.

The play draws to a close and Carter comes and tells Bab of his love and that he is going to work and make his own way. Mr. and Mrs. Archibald are finally convinced that Bab is old enough to have low cut dresses and attend grown up affairs.

Standing: Richard Horn, Walter Diesem, Martha Johnson, Miss John, Coach, Vivian Rigby, Robert Heiby, Joannah Postance.
Sitting: Evelyn Rensch, Margaret Tracht.

DEBATE

The Debate Season for this year was really successful although three debates were lost, three won and one forfeited.

The question was one of interest as almost everyone knows about the United States' present position in Latin America. The question was; Resolved: That the United States should cease to protect by force of arms, capital invested in foreign lands except after formal declaration of war.

This was the first year that Galion has been in the State League, and in the first round Galion drew Bucyrus. Our affirmative team won from Bucyrus and the Bucyrus Affirmative team forfeited the debate to our negative team. In the second round our affirmative team was defeated thus Galion was eliminated out of the contest for state championship, but other debates were secured with other schools, not in the state league.

Every class was represented on the teams as they were upheld by three Seniors, four Juniors and one Sophomore. The teams were as follows: Affirmative, Evelyn Rensch, Captain, Walter Diesem, Richard Horn, Martha Johnson, Alternate. Negative, Margaret Tracht, Captain, Vivian Rigby, Robert Heiby, Joannah Postance, Alternate.

Three of the members of the teams were new in this kind of work but they proved to be very competent debaters.

The three Seniors which will be lost through graduation are all girls and will be missed next year for these three have been on the debate teams for three years, which is quite a record for any debater as it is rather unusual to be on the debate team when only a Sophomore.

The members left for next year's team should be very beneficial to the school, and make up a good team and much success is due them which we are sure they will have.

Much success of the team this year is due to the Coach, Miss Louise John.

LITERARY DEPT.

As the years pass, things are continually changing. We make discoveries, new friends and learn new lessons. This year the Spy Staff has also made a change in the managing of some of its affairs. Instead of choosing the winner of the essay and poem contest within the Spy board, we appointed a committee, which is not directly associated with Galion High to act as judges and to select the best from the liberal supply of poems and essays which were written and submitted to the committee by the Juniors.

The subject this year is, "What Galion High School Means to Me". Although this is an old old subject, it still holds a great amount of interest for everyone who is concerned with any phase of High School life. By having this subject brought to attention we feel certain that we can show our parents, our friends, and the public, just how vitally interested we are in our school work.

At first the Juniors felt a little self-conscious about expressing their views on such a personal subject but finally they overcame such misgivings and handed in some exceptionally well prepared work.

Then came the real difficulty. The committee, composed of Mrs. Bemiller, Miss Clara Garverick and Miss Miriam Sayre, made a report which was as follows, George Fredericks the best poem, which is entitled, "The Song of the School Boy," and Fred Myers, the essay on, "What Galion High School Means to Me."

We take this opportunity to congratulate the Junior Class on the fine literary talent which they possess.

WHAT G. H. S. MEANS TO ME

I am old and gray and in my few last years I have been pondering over what my old school really meant to me.

I have found that it meant more than one can realize when young and inexperienced. It was my greatest joy and still is, for when thinking over my school days, my heart yearns to be back again, once more mounting those steps, walking through those halls, studying my lessons, and preparing for future life, all the while associating with my friends, now old like myself.

Furthermore, in my business life, I have found it to be invaluable. Since and only since I have been out of school have I noticed the true value of my High School days. While I sit here and think it over I wonder if I would be laboring in a factory, as some of those quitters are, had I followed several impulses to depart from my studies and set to work to earn the then coveted money. My education and my school days I would not sell for all the gold in the world.

Still pondering, I find it has meant much in my social life. My social life, while there, was small, but exceedingly enjoyable. From it I find I had more pleasurable times than ever since.

Again, it has meant the learning of cooperation. In my school days my companions cooperated to a great extent and this has been of no little value to me throughout my life, for cooperation is a very great factor in human life.

Summing up, I find that G. H. S. meant to me a joy, the learning of art, a beginning of social life, cooperation, and a building of education, from which we depart to be educated.

—Fred Myers, '30.

THE SONG OF A SCHOOL BOY

Let me be a dreamer,
Let me dream away,
Every single period,
Every single day.

Let me dream in English,
Let me sleep through those
Funny little sayings that
Alfred Tennyson put in prose.

Let me dream in Ancient History
Let me snore in peace,
When they talk of government
I'll be touring Greece.

Oh teacher grant my prayer,
Oh teacher please be nice,
And I will say a good word for you
If I get to paradise.

GEORGE FREDERICK, '30

OUR ELECTION

On Tuesday, November 4, 1928, G. H. S. conducted an election, under the supervision of the Student Council.

Through the efforts of Mr. Bemiller and Mr. Swick, ballots were brought to us from Bucyrus. The Council chose students to act as members on the election board. These members received instructions from Mr. Perrott of Bucyrus. Mr. Perrott gave us cards of instruction for the voters and these were posted on the bulletin boards.

A few members of the Student Council went out and collected some old hat boxes in which the students could deposit their votes. These boxes were labeled, State, National, etc.

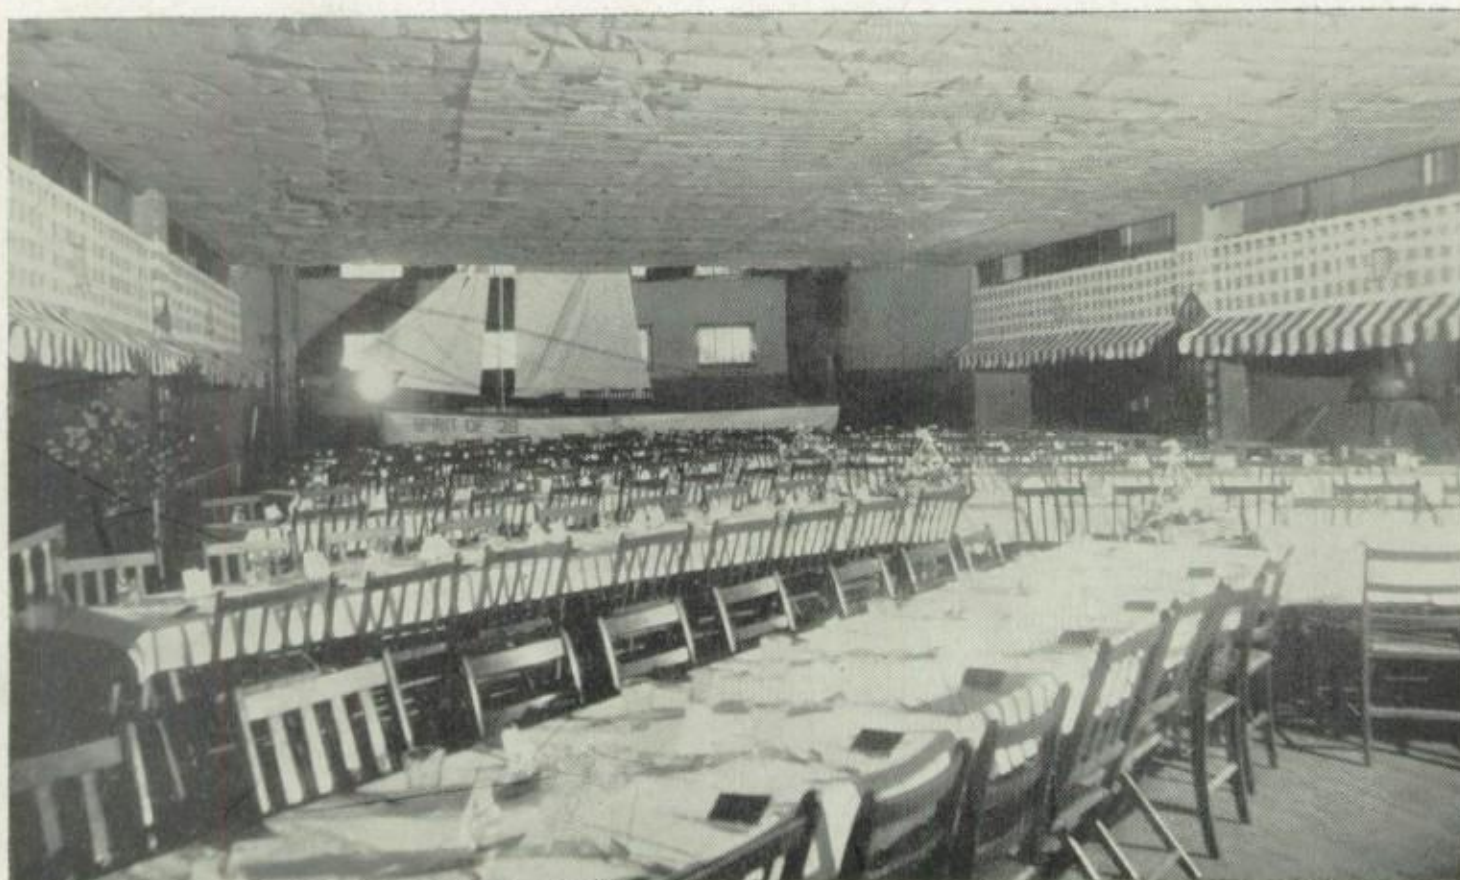

Mr. Shaffer arranged a few pieces of weatherboard for booths. Mr. Swick acquired some old draperies, these were hung on the front of each booth, thus the voters had absolute privacy.

The morning of November 4, came, clear and bright. The polls were opened promptly at 8:30. The line of voters began to come. They were serious and quiet. No one laughed or took the matter as a joke. The line continued all morning till 11 A. M. The polls were then closed and the votes for the morning were counted. By the way I wish to explain something. You see the Student Council selected two groups of election board members, one for the morning, and one for the afternoon. Each board counted the votes which were cast during their service. This vote counting was a real job. There were many votes which couldn't be counted, because the voter didn't mark his ballot right. But considering everything, the students really did fine.

After the morning group had their votes counted and had returned peacefully to their various classes, the afternoon group were settling down to their work. The voters continued to stream in, two by two or more. The afternoon polls were closed at three o'clock. Their votes were counted and added to the results of the morning group. In this way the final result was obtained.

When I say these votes were "counted", I am only speaking lightly of the real job that it was. There were a few members of the election boards that sweat real perspiration. Mr. Swick just wouldn't be satisfied with the way everything turned out, so they had to be counted and recounted.

After the work was all over and the results, which were nearly the same as the big election turned out to be, we found it to be very interesting work and hope that G. H. S. will continue, in future years to hold "mock elections".

JUNIOR-SENIOR RECEPTION 1928

The most outstanding event of the 1927-28 school year was the reception which was very splendidly carried out May 22 by the class of '29 for the departing Seniors.

The Juniors and their guests assembled in the auditorium when, about six o'clock, they were summoned to the Gymnasium where they beheld the graphical scene, which was attractively designed in green and white, the Senior's colors, representing a seashore.

After finding their places at the long tables, diagonally arranged, the guests then enjoyed their favors which were miniature green and white paper ships.

The programs and napkins were also in the predominating colors.

Twenty Sophomore boys, dressed as sailors acted as waiters and served the following menu:

Chilled Fruit		Wafers
	Creamed Chicken in Timbales	
New Potatoes with Parsley		Peas
Olives		Rolls
	Russian Salad	
Ice Cream		Angel Food cake
Nuts		Coffee

After the banquet the following toasts were given, Mr. C. D. Molder acting as toastmaster:

All Aboard	-	-	-	-	-	Mr. S. S. Motsinger
Bon Voyage	-	-	-	-	-	- Robert Schupp
Knots	-	-	-	-	-	Mr. V. H. Oberlander

SENIOR WEINER ROAST

November the 15th the Seniors assembled all prepared for the weiner roast and other amusements which the committee in charge had promised to try hard to make it enjoyable. After the Seniors arrived at Newhouse's woods they fully believed the committee had kept their promise.

JUNIOR WEINER ROAST

Saturday, September 22, following the Crestline vs. Galion football game, a large group of Juniors, chaperoned by Miss Mather, journeyed to Erickson's grove and Oh! how everyone did enjoy the bounteous repast in the grove.

SOPHOMORE WEINER ROAST

After deciding to go without their regular supper one night and eat weiners, buns, pickles and marshmallows the Sophomore Class set Friday, September 21, for their weiner roast. At seven o'clock about forty Sophs proceeded to Rocky Mountain Farm where they all partook in the refreshments and entertainment which the committee had so successfully planned.

G. R. MOTHER AND DAUGHTER BANQUET

Some account must be given to the divertive Mother and Daughter banquet, at the First Lutheran Church by the Girl Reserve, Friday, April 19. Promptly at 6:30 o'clock the mothers and daughters were seated at long tables, beautifully decorated in blue and white, and partook of the delicious menu which had been prepared and was served by the Ladies Guild of that church. Following this, was a well balanced program consisting of a piano solo by Martha Feerer; a toast, "A Mother's idea of what the G. R.'s really mean" by Mrs. Scarborough; a vocal solo by Marjorie Casey; a reading by Martha Goshorn; another toast, "The Benefit derived from a girl's organization in the High School" by Miss Mather; a song "Little Sir Echo" by the G. R. octet; followed by two toasts given by Evelyn Rensch and Emma Durtschi. Thus the program ended by the song "Follow the Gleam".

We all sincerely hope that all the social affairs in the future will be as successful and enjoyable as this one.

SPY STAFF PARTY

The Spy Staff after working hard all year on this volume, laid aside all their ills and gathered at the home of the Business Manager for an evening of frivolity on Wednesday, April 17. During the evening contests and progressive Rook were played. At a late hour Mrs. Volk served a very delicious and dainty lunch. The Staff departed declaring the party a great success and gave three cheers for the 1929 Staff.

THE ORANGE AND BLUE ORCHESTRA

I need not go into detail on the name of the organization, only that it is derived from our High School colors. Any one having heard the orchestra will know that it has truly deserved that name.

At the end of this year the organization will be one year old. When it began it had approximately ten members, at present it has seventeen. From time to time new members were tried, tested, and proved, and thus the number was increased.

The orchestra has been very active this year in as much as they have played for several high class banquets and Class plays. They are also affiliated with the Drama Workshop Players, which is indeed an honor.

The organization is composed largely of Seniors and as graduation draws near there is an earnest wish in the heart of each, that next year the organization may be continued.

We would also like to see a Music Club organized from members of the orchestra, and many more things too numerous to mention. At any rate a continuance of the orchestra would be to our entire satisfaction.

It has always been our earnest aim to produce music of a different and highly original nature. We also hope that this aim may be continued also.

The city of Galion and vicinity has always been a seat of high class musical activities. In the past few years this standard has fallen off considerable. A great revival of music is in need; the return of the old oratorio, etc. Who knows, maybe this great revival will have its beginning in the Orange and Blue Orchestra.

SOPHOMORE PARTY

Another enjoyable entertainment was given by the energetic Sophomores on Friday, February 8. At 7:30 a very interesting program was given in the Auditorium by some of the talented Sophomores, consisting of piano solos, clog dances, readings and a play.

The students were escorted to the Gym where games were played followed by the serving of refreshments. Every one then departed, agreeing that they had a fine time and were very grateful to Miss Hoffman and Mr. Molder who had planned the splendid party.

HI-Y SWEETHEART PARTY

Hear Ye! another most elaborate affair appears in the social scene of G. H. S. It was the Fourth Annual Hi-Y club's "Sweetheart Party" given in the First M. E. Church banquet hall, April 26th. Three large tables arranged in a triangle, with a large electric triangle behind the main table which represented the Hi-Y pin, were beautifully decorated with red and white candles and with red and white carnations on the tables. Red and white paper streamers were suspended from the ceiling which also added to the gorgeous scene. Cardinal colored booklet programs were given as favors.

At 7:00 o'clock, the following menu was served by the Ladies of that church:

Frutas frias y barquillas	
Potatas majadas	Rosbif
Guisantes en nata	
Salsa	Neuces
Ensalada de Madrid	
Biscochos	Compota
Torta Acorazonada	
Hilados en forma de ladrillos	
Cafe	

Eugene DeSilets, then, acting as toastmaster, presented the program as follows:

"Let Me Call You Sweetheart"—Vocal Trio	- - - - -	William Ryan, Burnell and David Tennant

ATHLETICS

FOOTBALL

COACH F. A. EATON

Coach "Dave" Eaton, who is a graduate of Wittenberg, has turned out several fairly good football teams in the past three years that he had served as Galion's coach. We wish him every success in the future.

ASST. COACH FRED McCLINTOCK

The need of an assistant coach of athletics has been realized at last. This position was very capably filled by Coach Fred McClintock. "Mac", who excelled in all the major sports at Ashland College, proved himself to be a real coach and a fine fellow. We sincerely hope that he will remain with us many more years.

CAPTAIN ROBERT ZINN

Bob proved to be a very good captain of the football team. He made his letter all four years which is an unusual record. He was one of the best football players Galion Hi has ever had and will be missed next year.

CAPTAIN-ELECT PAUL MACKEY

"Bus" has been one of Galion's most valuable players ever since his entrance on the varsity squad. He is one of the few players who received a letter when only a Freshman. Mackey has duly been given the honor of Captain for next year and a real team is expected.

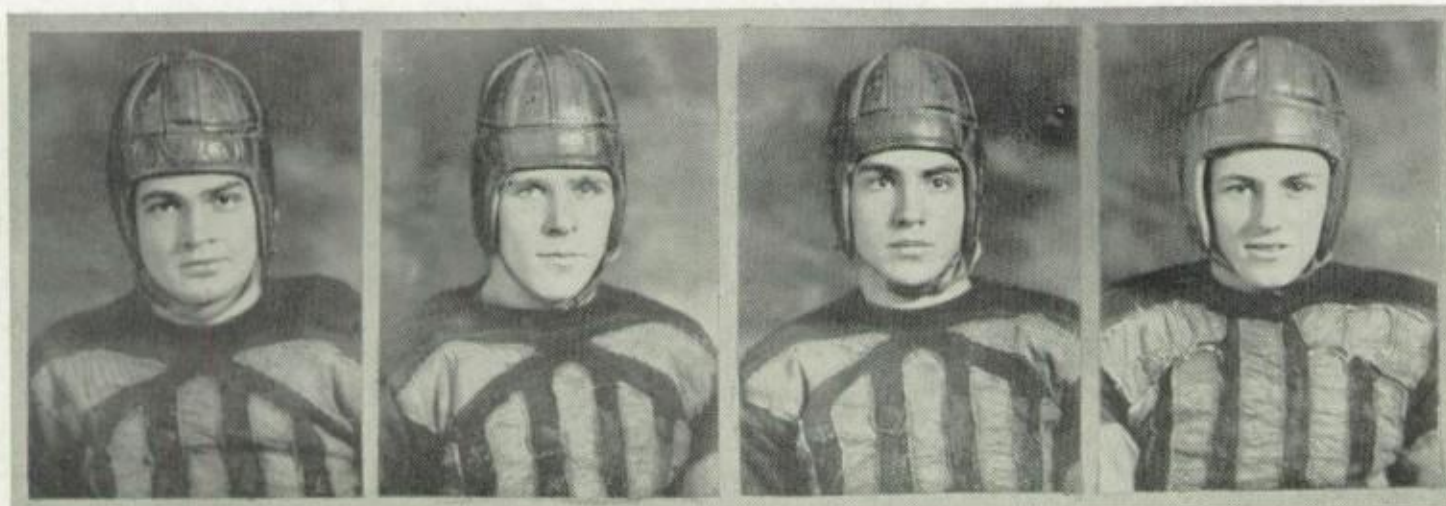

Back Row: P. Shephard, Coach Eaton, F. Resch, N. Beck, M. Switzer, R. Schupp, H. Smith, G. Stout, J. Casey, Coach McClintock, R. Dill.

Robert Zinn, Capt.,
F. B.

After playing three years at end for G. H. S. "Bob" was shifted to a fullback position. He was a hard tackler and a fine open field runner. Having been injured in the Delaware game, his loss was keenly felt in the remaining games of the season. "Bob" graduates this year.

Malcolm Switzer,
F. B.

Switzer was a good line plunger and his passing was always dependable. He developed into a good player on pass defense. "Mal" has played his last game for the Orange and Blue.

Nathan Beck, L. H.

Beck played a good game at a blocking-back position in spite of his inexperience. He was a clean player and his spirit was always high despite obstacles. We are sorry to lose such a hard fighter.

Robert Schupp, Q. B.

The "Fighting Irishman," although small in size, proved himself to be a football player of no mean ability. "Bob" improved steadily as the season progressed and as a signal caller he was very valuable to the team. He is a Senior.

FOOTBALL GAMES

Galion—13

As it was the first game of the season it was very loosely played throughout. But the Orangemen had no trouble winning. All the reserves had a chance in this game.

Galion—7

This week the Orangemen traveled to Marion for their first league game. Though leading 7-6 at the half and making eight first downs to Harding's two, Galion was not able to stop McAninch who got away for two touchdowns in the last half. Zinn starred for G. H. S.

Galion—18

Marysville came to Galion confidently expecting to keep their record of sixteen straight victories intact but the fighting Orangemen spoiled their plans.

Galion—19

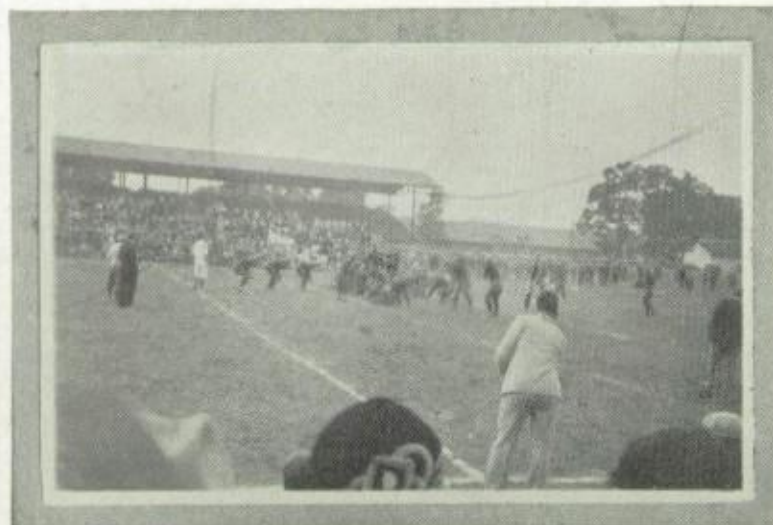

Galion dropped their second league game to the strong Mansfield team. The Orangemen were entirely outplayed in the first half which ended with M. H. S. leading 18-0. In the last half Galion essayed an unsuccessful but valiant effort to overcome their lead.

THE 1929 SPY

Eugene Cass, R. T.

Cass is another man whose loss on the line will be keenly felt, due to graduation. His fight and determination helped him fill his position and he always played his best for G. H. S.

Harold Zucker, C.

Zucker has played two years at a center position and was always fighting hard, piling 'em at center. He also graduates this spring.

Max Phipps, C.

Phipps is another Senior who is lost by graduation. Max alternated with Zucker at center and although he said little, he could be depended on to do his best.

Gerald McCluer, R. G.

"Mickey" has completed his football career for G. H. S. in a wave of glory. For his loyalty to the team he was awarded the Hi-Y trophy cup. His playing at all times was dependable and he gave his best to the team.

Galion—13

Soon after the start of Galion's third league game Shelby intercepted a pass and ran for a touchdown. But the Orangemen came back in the second quarter and scored a touchdown by a series of line plays. Shelby only made one more threat to score and that by completing a pass near our goal. Galion held them for downs. Our second touchdown was made in the last quarter. Thus Galion won her first league game.

Shelby—6

Galion—0

Over-confidence and inability to solve Delaware's passing attack spelled defeat for the Orangemen. As Zinn received a broken collar bone, Galion was seriously crippled for the remainder of the season.

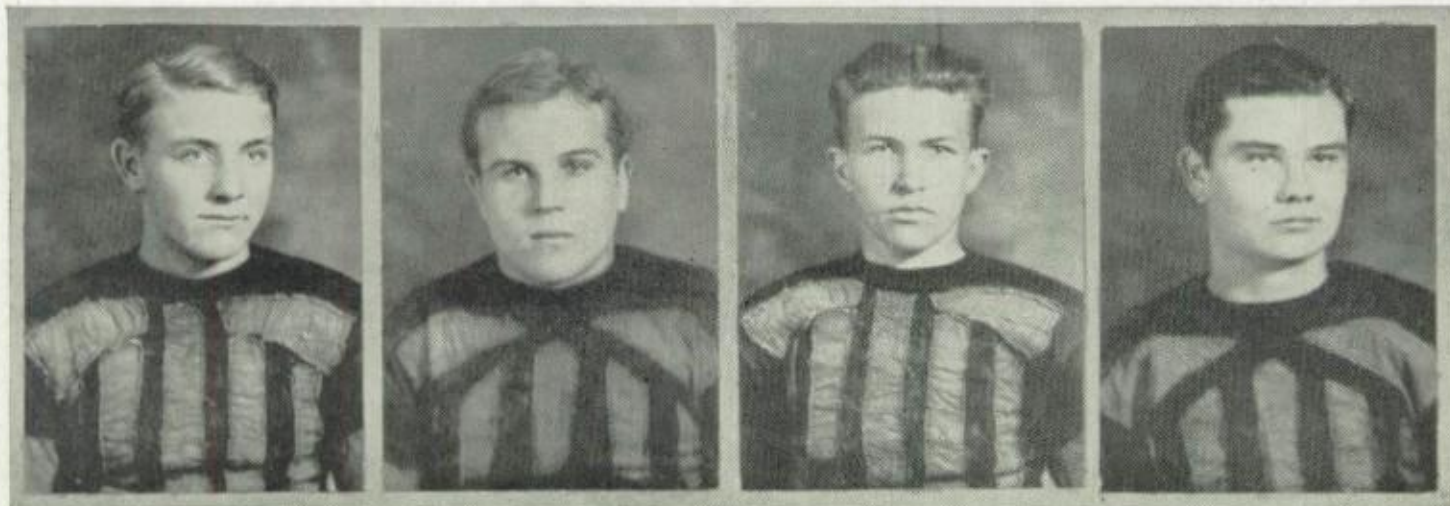

Delaware—26

Galion—0

Last year Galion was nosed out by Bucyrus by a one-point lead. So this year Galion determined to avenge this disappointment but their hopes were shattered when they returned home on the short end of a 19-0 score. Bucyrus' first touchdown was made in the second quarter on a reverse play. Their other two touchdowns were made in the last quarter. The Orangemen played a steady game and they showed a fighting spirit throughout.

Bucyrus—19

Henry Kruger, R. E.

This was Kruger's first year out for football but he soon became a good end. 'Celery' will be back next year to make a regular berth on the team.

Paul Mackey, L. T.

Mackey was always a reliable, clever player in tight circumstances. His blocking and tackling were good. The fact that he has been chosen to lead next year's grid squad speaks well for him.

Fred Thompson, R. E.

We may feel sure that our "Cowboy from Kentucky" needs no introduction. As the season progressed "Kentucky" developed into a good end and his punting was also fairly good. We hope to have him with us again next year.

Allen Zaebst, L. G.

Zaebst was the biggest man in the league. "Tiny" could use his weight to advantage and he held up his share of the defense on the line in great style.

Galion—0

In the final game of the season the Orangemen went down in defeat at the hands of the strong Findlay Hi team. Even though they did not win, Galion Hi played one of her best games of the season. On this Thanksgiving Day Captain "Bob" Zinn, "Mickey" McClure, H. Zucker, M. Phipps, N. Beck, "Mal" Switzer, "Lefty" Schupp and E. Cass donned the colors of their Alma Mater for the last time.

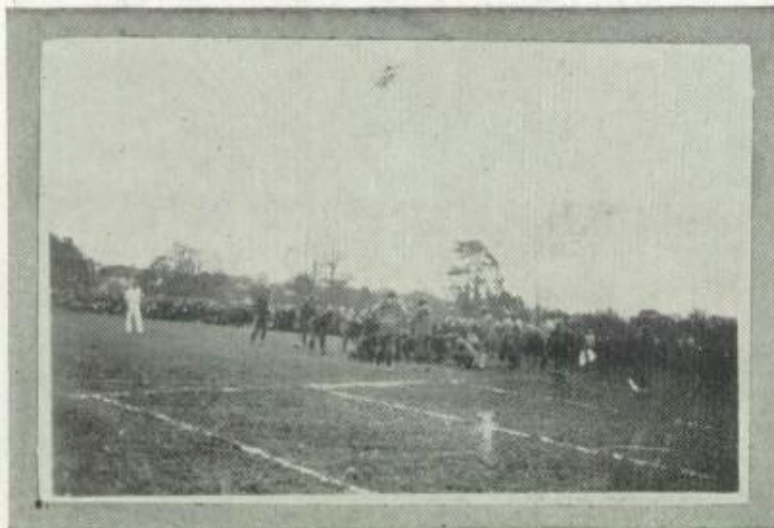

The fellows who received a G. r. for football are Burnison, Young, Cooper, Logan, Lusk, Casey, Cook. They all have a chance to get in the line-up next year.

Findlay—19

G. H. S. BASEBALL 1928

Baseball has at last been revived in Galion High School. Last year's team did remarkably well, considering the fact that Galion High has not been represented on the "diamond" for the past ten years or more.

Coached by "Dave" Eaton, the boys made very rapid progress in getting themselves in condition for the few games on the schedule. During the last week of school, plans were made for entering the District Tournament at Tiffin. This tournament was played so as to determine the champion of the Eastern half of the North-West District of Ohio, the winner going to Columbus to compete in the State finals.

THE 1929 SPY

Edward Hoekstra,
L. E.

Hoekstra showed himself to be an all around player for he was a fine blocker and place-kicker. In his remaining two years Eddie should undoubtedly prove himself to be a very valuable player.

Harvey Smith, R. H.

As it was his first year out for football, Smith showed up well. With this year's experience he should do some fine playing next year.

Robert Dill, Mgr.

Dill kept all the equipment in good condition and he saw to it that the field was always ready for the games. We are glad to have "Bob" back next year.

Paul Shepard,
Asst. Mgr.

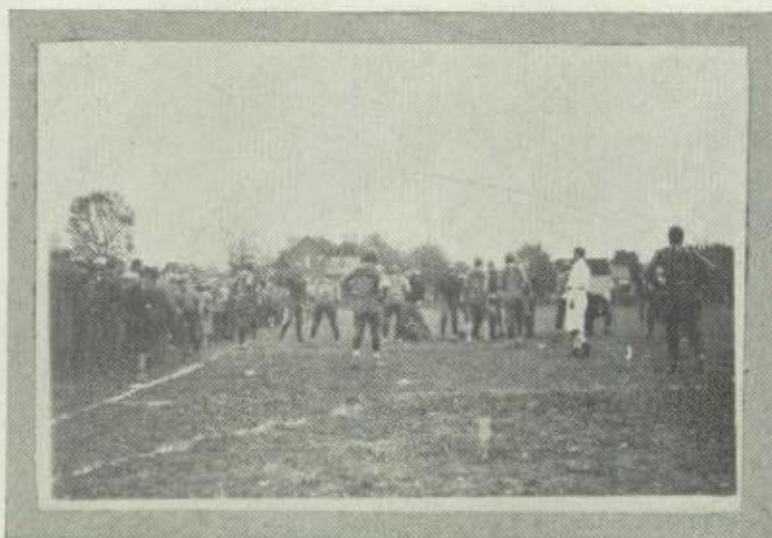

The football team extends a vote of thanks to Shepherd, for shining their shoes and brushing the suits, also being the general caretaker.

The teams entered, besides Galion, were Fremont, Bellevue and Tiffin. Galion drew Bellevue for their first game and ran away with a 12 to 6 victory. In the finals, the Orange and Blue defeated Tiffin by the lop-sided score of 8 to 2. Every man on the team played "heads-up" ball and that's why Galion won her first baseball championship. The shining light for Galion during the tournament was none other than "Pat" Stall, the Orangemen's invincible hurler who pitched air-tight ball in both games.

Two days after the Tiffin tournament Galion went to Columbus and lost to Aquinas High of that city, 3 to 0. Aquinas scored all of their runs in the first in- of the playing field. "Pat" Stall again proved himself to be one of the best, if not the best High School pitcher in Ohio. Aquinas collected only three hits off of Pat's ning, due to errors that could not have been helped, because of the muddy condition offerings and were very lucky in getting those.

"Bus" Mackey took care of most of the catching and did a fine job of it. His able understudy was "Mickey" McClure. The infield, composed of Clyde Campbell at first, Johnny Burnison at second, Eddie Sawyer at short-stop, and Bob Davis at third, played flawless ball all season. The boys who snared flies and handled the hot ones in the outfield were Jack Callender, Carl Wildenthaler, "Timer" Ernst, and "Pete" Schleenbaker.

As the coach of a really great team, "Dave" Eaton could not be beat. Knowing the fine points of the game as he does, it is no wonder that Galion had a team of championship caliber.

BASKETBALL

COACH F. A. EATON

Coach Eaton deserves much credit for the team that he turned out this year. Galion finished the season winning three out of five league games. This team was undoubtedly one of the best in the history of G. H. S.

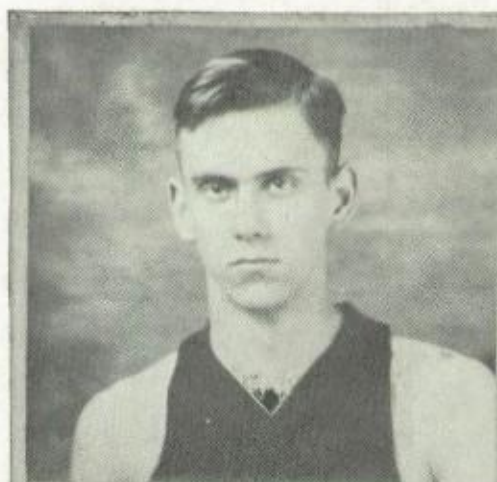

COACH FRED McCLINTOCK

Coach McClintock coached the Jr. Hi this year. The Jr. Hi had a good team and they won most of their games. As all of the team will be in High School next year, they should strengthen the High School line-up very much.

CAPTAIN JACK CALLENDAR

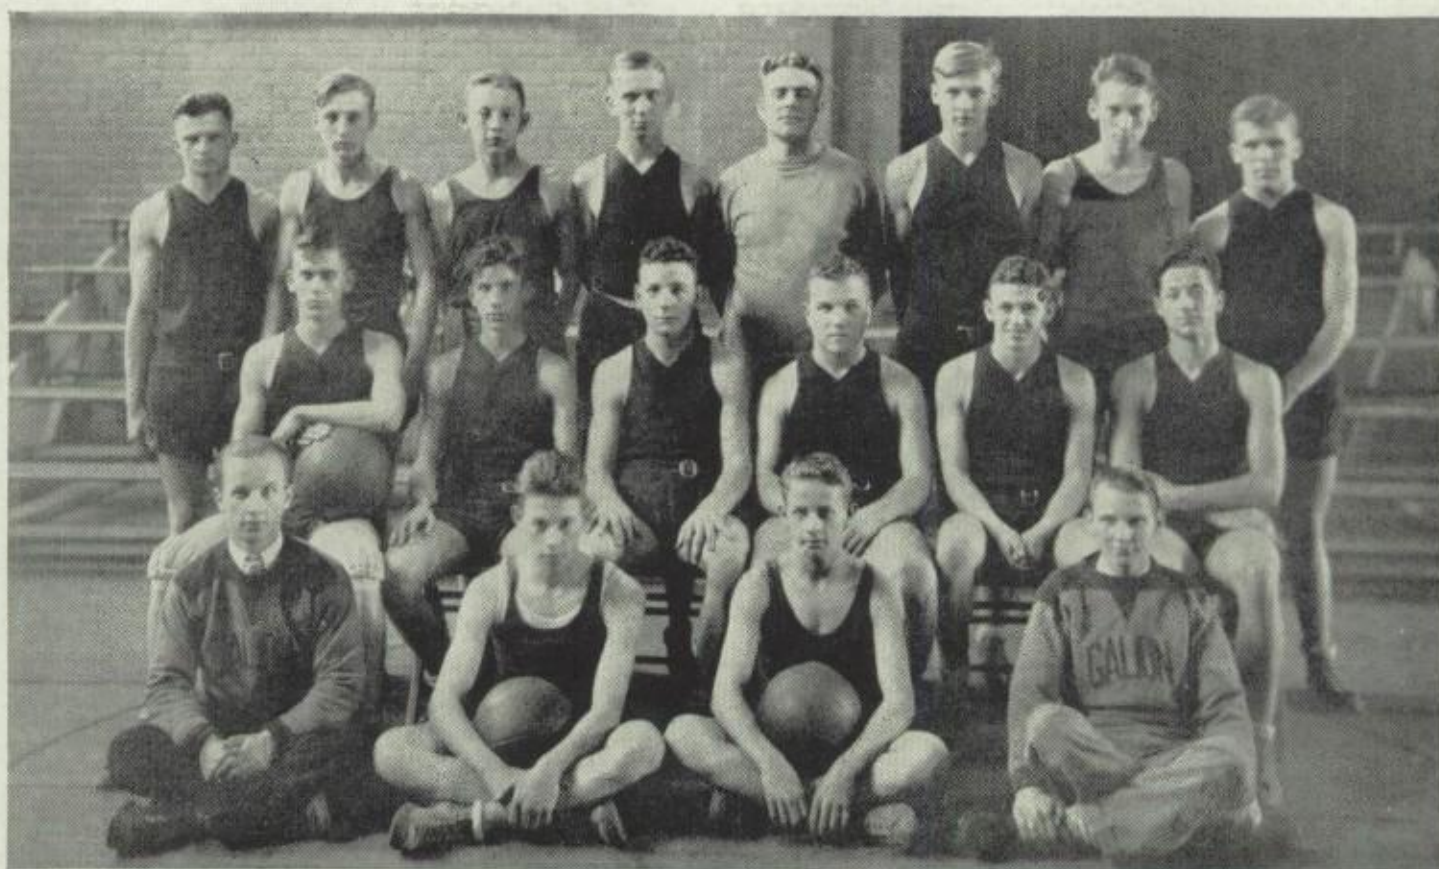

"Jack" captained this year's basketball team in a very capable manner. He has played on the varsity for two years. His playing and also his fight is of the best. We are sorry to lose such a fine player.

CAPTAIN-ELECT GEORGE FREDERICKS

Fredericks was not eligible to play until the second semester due to the semester eligibility rule. He deserves the honor that is his. We are sure he will lead the team to many victories next year.

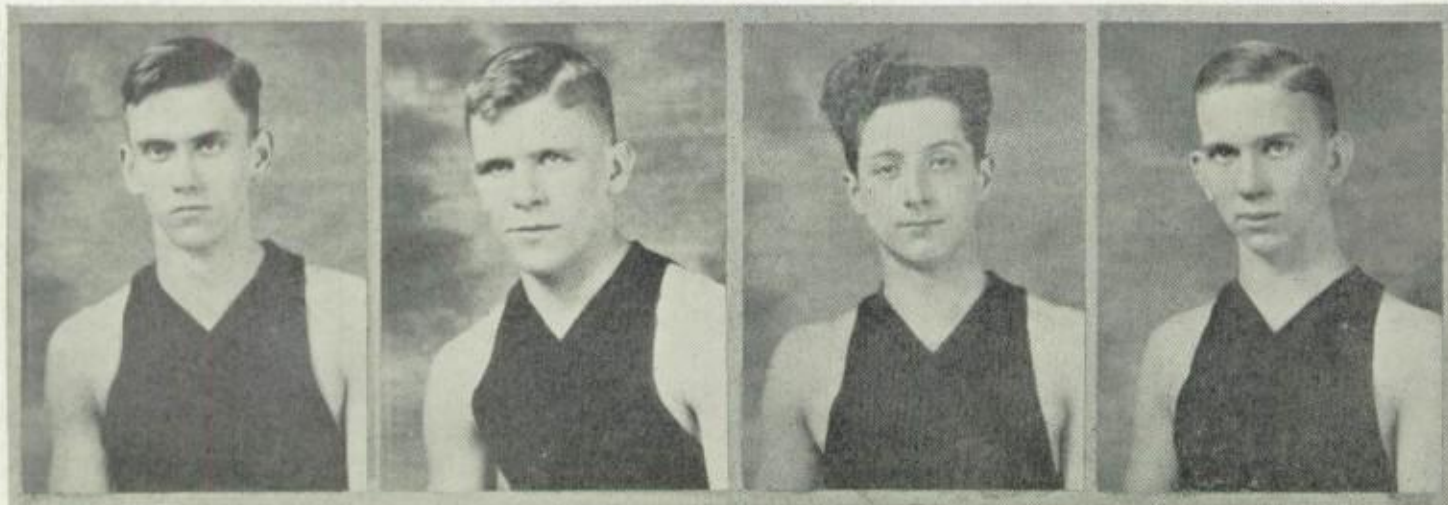

Back Row: R. Mollenkopf, S. Davis, F. Honness, H. Bodley, Coach Eaton, E. Hoekstra, J. Sames, M. Switzer.
Second Row: Capt. Callender, G. Callender, G. Fredericks, P. Mackey, R. Schupp, R. Cornell.
First Row: D. Young, C. Yonkers, G. Stout, D. Garverick.

Jack Callender

Callender is the ideal type of man for a captain. He has an uncanny eye for the basket and he is a good floor man. Jack is a hard, clean player at all times.

Malcolm Switzer, L. G.

As this was Switzer's first year on the team he showed up well on both the offensive and defensive part of the game. We are sorry to lose him.

Ralph Cornell, G.

Ralph is a good basketball player as one who has played against him can tell you. He will be especially remembered for his timely basket in the Mansfield game. He is also another Senior.

Herbert Bodley, C.

Bodley has played a good game for two years at center for G. H. S. He is a good man on the tip off. He is also a Senior.

THE 1929 SPY

Robert Schupp, L. F.

Schupp despite his size was fast and aggressive. He dropped in many a goal when needed. Varsity man for three years. We will miss him.

Robert Mollenkopf, F.

"Mully" has been on the squad for the past two years and deserves much credit for his fine playing. He was always ready to fill in and play real basketball.

Paul Mackey, R. G.

Mackey has been on the squad for three years and has developed into a mighty fine guard. Besides being a good defensive player, he also does his share of the scoring. He has one more year to go.

George Fredericks, L. F.

George got started late in the season. But he more than made up for lost time. He failed to receive his letter due to a little tough luck. Our next year's captain.

Mansfield—27

In one of the fastest and hardest games ever played on the local floor Galion lost to Mansfield. Galion early assumed a lead which they relinquished to Mansfield in the third quarter. But Galion redeemed herself by tying the score, 26-26 just as the game ended. In the overtime period Mansfield made a foul shot.

Edward Hoekstra,
C.

"Eddie" played a consistent game at center and he got the jump on most of the opposing centers. He has got two more years to shine for Galion.

Sibert Davis, F.

This was Davis' first year out for the varsity and he showed up well. He has plenty of fight and we know he will make good during his last two years.

Gene
Callender,

Gene was a good player-trainer. He used his spare moments swabbing swollen ankles, etc. He will be back next year to keep up the good work.

Douglas
Young, Mgr.

"Pug" was a cheerful and efficient worker. All the fellows appreciated his work. He is only a Junior.

Garverick,
Asst. Mgr.

Garverick cooperated with Young in every way possible in keeping the equipment in good condition. He has been appointed head manager for next year.

G. H. S.—17

Feb. 16, 1929

The fellows who received a G. r. for football are Burnison, Young, Cooper, Logan, Lusk, Casey, Cook. They all have a chance to get in the line-up next year.

Big Divorce Trial Near End

WIFE SUES MULTIMIL- LIONAIRE FOR STEP- PING OUT

The sensational divorce trial of Mrs. Kathryn Peebles Aukerman, formerly leading chorus girl in Burnell Tennant's Follies, versus her husband James Aukerman, the dandelion king, has created excitement throughout this territory as both formerly attended Galion High School.

The famous lawyer Mr. Eugene Cass is handling Mrs. Aukerman's case while Frank Durtsche, leading attorney of Iberia is defending Mr. Aukerman.

Mrs. Aukerman charges that her husband has been running around with other women. The most famous of these characters is Miss Harriet Fellenbaum, dancer at the exclusive night club, "Doug's Place," owned by John Douglas.

Mrs. Aukerman claims that James has been going every night to this Night Club to meet Miss Fellenbaum, while Miss Fellenbaum denies such occurrences. These two women have been rivals since their high school days.

Mrs. Aukerman is suing her husband for a divorce with \$5,000 a month alimony.

The case goes into the hands of the jury at midnight. The decision of the court will be put in the morning paper.

LATEST AEROPLANE RECORD

A new endurance record has been made by the aviatrix Miss Genevieve Sloane. She stayed in the air for 1,250 hours which is 1,249 hours longer than anyone else has ever done. The wonderful feat could not have been accomplished if it would not have been for her very efficient mechanic, Vaughn Volk. This record was made directly over the North Pole. Miss Sloane states that they kept within distance of the Pole all the time so they would not get lost. When they were finally forced to land they did so on the new aeroplane field which has recently been built by Joel Sames, just off the Florida Coast.

Miss Sloane and Mr. Volk states that they were kept alive by using the canned goods which Mr. Robert Schupp cans and also by using his new can opener invention which takes off the bottom of the can at the same time it takes off the top.

We want to congratulate both Miss Sloane and Mr. Volk and wish them future success both in aviation and love.

MOTORISTS HAVE NARROW ESCAPE

Quite a good deal of excitement was raised around these parts late this morning when Homer Curfman and his newly wedded wife, Marjorie Johnston, narrowly escaped death after plunging over a 50 foot embankment in the deep waters of the Whetstone. Mr. Curfman was driving one of Ford's latest creations and he made a statement shortly after the accident happened that he was running about 150 miles an hour at the time of the mishap. The car was completely demolished but was covered with plenty of Howard Burwell's Accident Insurance. His beautiful wife was slightly injured although her face had to be relifted by her beauty culturist, Victoria Sherer.

PARTY

The two leading society ladies of Renschville, Miss Bernice Bishop and Beatrice Mengert entertained a number of their friends at their home back of the filling station, last night. A delicious dinner was served consisting of tooth picks and water.

PROPHECY

DAIRY MEN MEET

At the recent Dairymen's Convention at the Smith Model Dairy Farm, Mr. Henry Smith, manager and general overseer of the farm announced to the collected dairymen his successful plans of conducting such an enterprise, and gave them many helpful hints on how to milk cows the fast way. Henry's output is 8 quarts of condensed milk a day and this large production has brought the price of milk down on the stock market. The model condensing plant is used exclusively for condensing milk. Evelyn Rensch is the head condenser and she, with her efficient staff of co-workers has made the plant what it is. Henry's chemical department has found that the milk contains 50 per cent butterfat which is outstanding in such lines.

PERSONALS

Prof. Charles Henry Krohn Line, instructor of the art of bow playing in the Gertrude Stevens Conservatory of Music, has just arrived in this city for a short visit with his wife, formerly Hazel Nichols.

Mary Dickerson has just returned home after successfully conducting a mining expedition to the South and North Poles.

Geraldine Spiggle, famous beauty culturist and swimming champion left this morning for an extended swim up Whetstone Falls.

Ernestine Dinkel, America's foremost Pancake producer, went for an auto ride late this afternoon.

Herbert Switzer, dentist for the Whale hospital on the coast of Nova Scotia, arrived this noon for an extended visit with his fiancée.

SUCCESSFUL

IN BUSINESS

The Prophecy is always interested in finding out how men succeed. This morning the office received a letter from a former employee who has opened a Ladies' Clothing Store in the South Sea Islands. He is none other than Harold Zucker. His chief fitter is Helen Laughbaum. Grass skirts and red flannels are predominant. His store has a daily sales of 25c while his expenses are 10c, thus making a profit of 15c. His advice to those living in the North is that a person doesn't have to worry about eats, shelter or anything else.

His skirts are made to order according to size and the clothes have satisfied all of his customers. He also sells assorted sea shells, rings, beads, gun shot and many other important articles. He needs many letters of congratulations because of his great success.

MAN SAVES

WOMEN AND

FOUR TOTS

A woman and four small tots were miraculously saved from a terrible fate by Mr. Murray Ricker. A banana peel was lying in plain view on the pavement and the woman failed to notice it and was about to step on it when Ricker who was passing in an automobile noticed it. Jumping quickly from the machine our hero threw himself at the lady's feet and pushed the peel out of the way.

Ricker, being modest, disappeared immediately after the accident, but he had been already recognized.

CHALK TALK TO BE BROADCAST

Miss Doris Chubb, famous chalk talk lecturer and traveler, will broadcast her famous illustrated talk on "Why Men Leave Home," tonight at 7 o'clock over the Orange and Blue Network. Miss Chubb has received many compliments on her splendid works and it is hoped everyone will tune in on their Super Iodine radios and listen to Miss Chubb's stirring advice.

Miss Chubb's husband, Russel Tuttle, will accompany her and sing some old selections over the radio at different intervals in the lecture. Mr. Tuttle is accompanied at the piano by Florence Eckstein.

**DOUBLE SOCIETY
WEDDING**

Miss May Stiner and Miss Vivian Rigby, both returned Missionaries from Africa, where they taught the Negroes how to neck, were married to the famous brokers of Wall Street, the Seitz brothers, Wayne and Lowell. They were married by the Rabbi Edward Tracht in the county jail at Ontario, Ohio. The brides were dressed in grass skirts with accessories to match and carried beautiful bouquets of skunk cabbage and baby's breath. After a short honeymoon to the Whetstone Falls near the Galion Water Works they will reside in their old furnished homes in the cemetery.

WANTED

The Rev. Ralph Cornell, pastor of the Fiftieth Christian en Divils Church is still looking for a wife to write his sermons for him, cook his meals and take care of his yellow cat. So far, there has been one applicant, Elizabeth Seckel, but Rev. Cornell feels that she would not make a good pastor's wife as she has had no special training for the caring of cats. Don't all the women rush at once as it would affect the Rev. Cornell's heart.

ACCEPTS POSITION

Miss Thelma Hershner has just accepted a fine position as chewing gum tester in Dorothy Gerstner's Chewing Gum Plant on the corner of Maine and Colorado Streets, Spokane, Florida. Miss Hershner has had much experience along this line and much better gum is expected to be produced.

**NOTED HOBO
RETURNS HOME**

After wandering over the entire world for over 25 years the noted Hobo, Eugene Kirtland, has returned to this city to settle down and enjoy life. His wanderings led him through many adventures, and took him into every country of the world.

He was the artist on "The Spy," back in 1929 when the class to which he belonged graduated. By his unexcelled art he earned many a wanted meal. He stated that he met many of his classmates in his travels. Among them the champion shoe shiner of Paris, Wade Stevens, the celebrated artist who won the admiration of all Europe for her wonderful violin playing, Helen Newhouse. He also was permitted to visit the court of Jack Sherman, King of Scandinavia. For this great man he performed his works of art and received the Al Graham art award of Poland.

Mr. Kirtland intends to wed Violet Ober and live on Smith street to enjoy life.

ENJOYING LIFE

The former Editor-in-chief and Associate Editor of "The Spy", have settled down on opposite sides of Main Street and are quietly enjoying life watching the activities of their classmates. Both were unable to get Dan Cupid's arrow so they converse daily on the past events of their grand old class of 1929 of the Galion High School.

PROPHECY

AGED ASTRONOMER MAKES PREDICTION

According to the Leesville Times, Ignatius Ernst, famous astronomer, has made a startling discovery and prediction in his observation tower on the top of the second story of the Stone Quarry at the edge of town. He predicts that exactly two weeks, seven days, twenty-four hours, sixty minutes and ninety and four-fifths seconds past four o'clock on the day of July the Twelfth, the earth and moon will collide thus causing an eruption of the earth. He

bases his theory on the fact that while studying the stars on a certain day last February, he saw a star very close to the moon and through these many months has figured the exact days until the end. He also states that the inhabitants should not be afraid since he will be there to assist them.

MOTION PICTURE STARS IN GALION

Mr. Joel Riblet, owner of the Roxey Theater, in this city, has secured the famous play, "The Love of a Red-Headed Man," with "Red" Danner and Ethel Bilsing playing the leads.

Chester Reed is acting the Villain and in the end he kills the heroine, so if you have never seen a murder before, why don't miss this picture. Ethel has played in this play eight times before and this makes her ninth time, so if she's anything like a cat, this will be the last time the Villain can kill her. Don't miss this thrilling picture.

If you but smile."

Fairly infatuated with Josephine,
I am a Senior, and a Junior is she,
But after school's out, real lovers we'll
be.

—John Douglas.

Kissing a girl just because she expects you to is like scratching a place that doesn't itch.

Foster S.—“Your father is unreasonable.”

“Why?” asked Elizabeth.

Foster—“Tells me not to lose sight of my object in life and then kicks because I call seven nights a week.”

She was only a photographer's daughter, but Oh! how she was developed.

“Why the truck in front of Matilda's house?”

“Haven't you heard? They are going to remove her appendix.”

“Engaged to four girls at once!” exclaimed the horrified uncle. “How do you account for such conduct?”

“I don't know,” said Eugene Cass, “Cupid must have shot me with a machine gun.”

Wayne Seitz—“Give me a round-trip ticket.”

Ticket Agent—“Where to, please?”

Wayne—“Back here, you fool!”

Charles Line says: “Many a girl with a negative personality may be developed in a dark room.”

TO succeed once may be a matter of luck. But when one distinctive and successful Annual "by Canton" is followed immediately by another—and another until they represent a continuous record of achievement, then it must mean "good marksmanship." Details of the successful Canton plan will gladly be given without obligation to any Annual editor, or manager, who is interested. ○○○○○○
